2025 Membership

Dear Friends and Neighbors,

We hope you are well and ready for another fun-filled summer at the lake!

Below is the form to begin or renew your 2025 membership.

Our focus this year will be to continue our efforts for important programs such as AIS (Aquatic Invasive Species), buoy placement, water clarity/quality testing, a renewed fisheries program and continued education about preserving our natural resources. We will continue to strengthen each area and add new initiatives as we are able to support them. Please consider volunteering with us, a couple hours each month goes a long way! Membership is \$35.00 again this year. However, please consider an additional donation to our Special Projects Fund as we continue to work with state officials and regional partners on the programs above.

Lake Association Annual Meeting: Saturday, July 26th, 2025 @ 9:00 AM at UC Church in Hackensack. The meeting will also be made available via Zoom Meeting. Please watch our Lake Association website for updates www.our6lakes.org.

On behalf of the board, thank you for your support. We will see you around the lakes!

Sincerely,
Connie Johnson-Schmitt, President
