2026 Membership

Dear Friends and Neighbors,

We hope you are well and looking forward to another fun-filled summer at the lake!

This year, our focus will be on strengthening several key initiatives, including Aquatic Invasive Species (AIS) prevention, water clarity and quality testing, a renewed fisheries program, and ongoing education about preserving our natural resources. We will continue to build on these efforts and add new initiatives as resources allow. If you're able, please consider volunteering—just a couple of hours each month makes a meaningful difference.

Membership remains \$35.00 again this year. We also invite you to consider an additional contribution to our Special Projects Fund, which supports our work with state officials and regional partners on the programs listed above.

Our **Lake Association Annual Meeting** will be held on Saturday, July 25th, 2026 at 9:00 AM at UC Church in Hackensack. A Zoom option will also be available. Please watch our website, www.our6lakes.org, for updates. On behalf of the board, thank you for your continued support. We look forward to seeing you around the lakes.

Signed,
 Mike Schmitt, President
